\$20.00 for an annual *regular* single membership.

Elimination of Family and Associate Membership types

At the 2019 annual general meeting BCFMCA elected to eliminate the family and associate membership levels. Our liability insurance is assessed on the number of members with a charge of \$11.00 per association member who is NOT a member of the Radio Amateurs of Canada.

For a family class member who was not a member of RAC we received \$5.00 but spent \$11.00 on associated insurance costs - A loss of \$6.00.

Your dues are crucial to the support, maintenance, and operation of the club's repeaters on:
